

March 8, 1948.

Dear Luria,

I did a few experiments a long time ago to get a K-12/r, and like your colleague got nothing very definite. Sorry I can't help you any further.

Has Robinow arrived yet? If he has, tell him he must pay Madison a visit.

Sincerely,

P.S. If Robinow has his reprints with him, could you please ask him to send me a set? Thanks.
